

4 Star Open Canoe Syllabus

The 4 Star Award is a leadership award and not a coaching award. It is not suitable for introducing beginners to the sport.

Aim

Successful performance at this level indicates that a candidate has the personal skill level and leadership ability required to lead a group of up to 4 competent paddlers (not including themselves), on river trips of grade 2 and on open water with winds up to force 4. The emphasis is on the application of strokes to achieve suitable techniques for moving water, and exposed open water, requiring the paddler to perform appropriate and effective manoeuvres in real situations.

(Competent = Paddlers who do not require coaching to be in/on that environment)

Open Canoe Three Star standard is the appropriate level of performance for paddlers to begin working towards the Open Canoe Four Star.

Pre-requisites

- First aid award (minimum 8hrs training including CPR)
- Previous experience:
 - Provide evidence of 12 trips (minimum four hours duration) that includes at least:
 - 3 different grade 2 river trips and 3 different open water journeys with winds up to force 4 (minimum 4 hours duration), as a member of a group
 - 3 different grade 1-2 river trips, and 3 different open water journeys with winds up to force 3, (minimum 4 hours duration), as an assistant leader
 - The above journeys should involve some overnight camps.
- BCU 3 Star Award or be comfortably at 3* standard
- 4 Star Training: At least two days logged experience of formal training in personal skills, and leadership prior to assessment (see trainers notes). Whilst two days is seen as the minimum requirement, three, four or even five days may be more appropriate.
- BCU White Water Safety and Rescue Training Course
- Candidates must be 16 or over at the time of assessment.
- Candidates under the age of 18 can take the award, but cannot be deemed responsible for leadership by law until they turn 18, and must hold a current first aid award and have BCU coaching membership or private insurance.

Craft

A traditional open canoe suitable for the remit of the award and the assessment tasks, paddled solo or tandem. The candidate is expected to perform all paddle skills on both sides. Where the test is undertaking as part of a tandem crew then each paddler needs to demonstrate the ability to operate in both bow and stern.
